

Academic Editing Sample

BEFORE EDITING

The student have been studying english for three years and they is very good at writing. However, there are some mistakes in there papers that needs to be corrected before submission. Their professor said that the quality of there work is good but need more attention to detail and grammer.

AFTER EDITING

The student has been studying English for three years and is very good at writing. However, there are some errors in their papers that need to be corrected before submission. Their professor said that the quality of their work is good but needs more attention to detail and grammar.

Changes Made:

- have -> has (subject-verb agreement)
- english -> English (capitalization)
- they is -> is (grammar)
- there -> their (possessive)
- needs -> need (subject-verb agreement)
- grammer -> grammar (spelling)
